Product information

The Classic Driver Glove is a tough, hard wearing glove, made from premium full grain leather. Added Para Aramid stitching improves the strength and durability, plus enhances the gloves to make them flame resistant. This durable, high-quality work glove is perfect for anyone working in the Oil & Gas industry, designed to be worn alongside FR clothing.

Drivers & Riggers

One of the best selling ranges of gloves globally, the Drivers and Riggers collection houses a large selection of work gloves made from premium genuine and synthetic leather. This affords the user the best in breathability, durability, comfort and dexterity.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
