ENGINEERED WITH LEAF-SPRING TECHNOLOGY

DESCRIPTION

Dakota is a mid-height safety boot built to endure the toughest conditions. Its rugged triple-density outsole and Bobcat®-inspired tread pattern provide stability, durability, and reliable a grip.

Crafted from Nubuck leather uppers with a reinforced toe scuff guard, Dakota is designed for long-term wear. An ankle zip ensures easy on-off convenience, while a hiker-style lace system delivers a secure, supportive fit. Fully certified for ladder grip, slip resistance, scuff cap resistance, and fuel oil resistance, Dakota is a dependable choice for demanding environments.

Inside, utilising the patented Redbacks cushioning system, every pair of Bobcat® Safety Footwear is engineered with Leaf-Spring Technology insoles. Absorbing shock, reducing fatigue, and supporting the feet, knees, and back.

KEY FEATURES

Upper Material	Full grain 'Crazy Horse' Cowhide leather
