EC TYPE-EXAMINATION CERTIFICATE

no: AC 10082

In realization of the 89/686/EEC Directive dated 21st December 1989, modified by the 93/68/EEC, 93/95/EEC, 96/58/EEC Directives - regarding the reconciliation of the Legislation of the Member States, relevant to the personal protective equipment - and by the Italian Legislative Decrees 475 (04/12/92) and 10 (02/01/97) witch incorporate their contents,

CERTOTTICA Scarl

National Institute for the certification of optical products

Authorized by the Ministry of Industry with the Decree dated 10th January 1995

Identification Number: 0530

considered the application for EC type-examination no. 10097 presented the 03/05/2010

CERTIFIES THAT

the following personal protective equipment model

Goggle

539

presented by

Protecciones Climax S.A.

Pol. Ind. Sector Mollet C/A3, Parets Del Valles 08150-Barcellona SPAIN

resulted to be in conformity with the essential requirements provided for by the Attachment II of the Directive.

The description of the personal protective equipment model, the normative reference, the verification results and the description of the CE marking on the equipment are described on page 2. 3 .4 of the present document.

The expiration date of the present EC Type-Examination Certificate is 5 years starting from the issue date.

Longarone, 21/05/2010

The Technical Coordinator
(Dr. Giorgio Sommariva)

This document consists of no. 4 numbered pages.

1. Description of the Personal Protective Equipment

Product Designation: 539
Commercial Trade: PROTECCIONES CLIMAX
Product Description: Goggle
Ocular Material: Acetate
Frame Material: PVC
In Conformity with the Standard(s): EN 166:2001 and /
PPE Category: II
Field(s) of use: Protection against high-speed particles - Low energy impact;
Protection against droplets of liquids; Protection against large dust particles (frame variant without ventilation); Protection against gasses and fine dust particles (frame variant without ventilation); Resistance to fogging of oculars.

Note: Goggle model 539 has two frame variants: with ventilation - reference code 539 (protection against droplets of liquids) and without ventilation - reference code 539-C (protection against droplets of liquids, protection against large dust particles and protection against gases and fine dust particles).

Manufacturer's name: Protecciones Climax S.A.
Manufacturer's address: Pol. Ind. Sector Mollet C/A3, Parets Del Valles 08150-Barcelona SPAIN
Mandatar's name: /
Mandatar's address: /
Certificate's holder: Protecciones Climax S.A.
Holder's address: Pol. Ind. Sector Mollet C/A3, Parets Del Valles 08150-Barcelona SPAIN

2. Levels of protection offered by the personal protective equipment

Applicable Standards:

EN 165:2005 - Personal eye-protection - Vocabulary

EN 166:2001 - Personal eye-protection - Specifications

EN 167:2001 - Personal eye-protection - Optical test methods

EN 168:2001 - Personal eye-protection - Non-optical test methods

/

The protection equipment 539

is in conformity with the basic requirements and with the following additional requirements provided by the standard(s) of reference for the particular fields of utilization the device is addressed to.

EN 166:2001 and / :

Protection against high-speed particles - Low energy impact;

Protection against droplets of liquids;

Protection against large dust particles (frame variant without ventilation);

Protection against gasses and fine dust particles (frame variant without ventilation);

Resistance to fogging of oculars.

Moreover, the protection equipment is in conformity with the specific requirements provided by the connected norm for the particular fields of utilization the device is addressed to:

/

/

3. Test results and test examinations are covered by the following test reports:

Terms and conditions under which the Certificate is issued

- Marking and instructions were examined in English. The supplying and the obtainment of versions in languages accepted by the countries in which the product is sold are under the complete responsibility of the Manufacturer or of his authorized Representant.
- Any variation to the product, to the technical file or, in the provided cases, to the manual or to the quality control procedures, shall be notified in time to Certottica.
- The Manufacturer or his authorized Representant shall respect the procedures and the regulations provided by Certottica for the EC Certification.
- The complete reproduction of this Certificate is allowed upon written authorization by Certottica.
- The present certificate shall be carefully kept by the Manufacturer to be shown, on request, to the Organism of control or to the Vigilance Administration.
- The present certificate remains property of Certottica, which can ask for it back if some of the above mentioned conditions are not respected.
- The expiration date of the present EC Type-Examination Certificate is 5 years starting from the issue date.
