

ARESTA Multi Plus 6 Harness with Work Positioning Belt

Technical Data Sheet

Code: **AR-01160**

The ARESTA Multi Plus 6 Comfort Plus Abseil Harness with EEZE-KLICK Buckles is designed for rope access technicians and work-positioning tasks. Streamlined for agility and comfort, it features ergonomic padding, breathable mesh, and multiple attachment points, providing safety and ease of movement for professional work-at-height applications.

Features:

- Front and rear fall-arrest D-rings and side work-positioning attachment points
- Rear waist attachment point for restraint lanyard
- Padded, widely spaced shoulder panels with moisture-wicking 3D mesh
- Extra-wide, padded waist and leg straps for extended comfort with EEZE-KLICK buckles
- Gear loops for tools and hardware
- Ascender device compatible for abseil use
