

3000 PAPR

Powered Air Purifying Respirator

Innovative all-in-one head, face, and respiratory protection with enhanced comfort and performance.

The PureFlo 3000 PAPR is the new breed of industry leading all-in-one NIOSH approved air-purifying protection systems. Our next evolution of all-in-one respiratory, eye/face and head protection is lighter weight with a lower profile. Enhanced features for maximum mobility and simplified use make it ideal for multiple applications. Its lightweight all-in-one design minimizes potential interferences with tools, machinery and other personal protection equipment such as fall protection harness systems.

- All-in-one head, eye, face, and respiratory protection
- Lightweight minimizing fatigue with high flow rate
- Modern, industrial design
- NIOSH approved and no fit testing required
- No breathing resistance cutting workload
- Overhood, bump cap, hard hat head protection
- Optional hearing protection and communications
- ANSI-rated visor with optional tear off protectors to prolong life
- No snag hazards for work in tight spaces
- Compatible with fall protection
- LED low battery and airflow indicators
- Quick change HEPA filter with optional pre-filter and spark arrestor
- Fast-charging Lithium Ion battery
- Miniaturized, fast-charging Lithium Ion battery

2.02.0 PRACTICES

3000 PAPR

HARD HAT CONFIGURATIONS

The PureFlo 3000 PAPR is configurable for use in a wide variety of nuclear, manufacturing and construction industry applications.

Contact Us

Gentex is committed to designing innovative safety solutions that protect people from immediate and long-term health and safety hazards present in their work environments, while enhancing workplace performance.
