

PRODUCT NUMBER: RGT350
TRICOTON ULTRALIGHT

Honeywell

Overview

Reference number

RGT350

Range

General purpose

Product line

Precision work

Brand

Honeywell

Industries

- Automotive and Part manufacturer
- Food industry
- Catering
- Logistics
- General industry

Product Use

Fine handling in clean environment. Can be used as an under-glove.

Features & Benefits

Features

100 % cotton lightweight glove, 6 cm elastic cuff, 13 gg, length: 23 cm

Benefits

Comfort: The knitting technique helps to obtain a glove that conforms snugly to the hand and good dexterity.

The glove offers maximum comfort and added sturdiness.

Of a neutral pH level and without any treatment, this cotton is tolerated perfectly well by the skin and limits the absorption of perspiration.

The tight knit gives the glove perfect support, limits the penetration of dirt, offers a good touch while offering protection against small cuts.

Hygiene: Its light colour enhances the glove's hygiene and cleanliness properties.
