DESCRIPTION

Non-slip grip tape designed for chainsaw handles. It improves grip and control while helping to reduce vibrations. Easy to install, it can be cut to size and fits most standard chainsaw handles.

COMPOSITION

- Main material: PU-coated 600D polyester.
- Colour: black. Heat-transfer printed logos.

INSTRUCTIONS

- Remove the adhesive cover.
- Wrap evenly, starting from the top of the chainsaw handle.
- Secure the end of the wrap with the end tape.

PACKAGING

Single-unit packaging.
Box content : 1 grip tape roll and 1 end tape.

WEIGHTS & DIMENSIONS

Grip tape roll size: 2100 × 30 × 2mm.
Box size: 130 × 33 × 33mm.
Weight with pakaging : 62g.

Non-contractual document and photos.
