Rubber outsole Scuff Cap

It is obvious that the heavy duty pattern of this hard-wearing, up to 300°C heat resistant HRO rubber outsole has been designed for optimum safety and performance, even on unsecured grounds.

Fiberglass toe cap

The fiberglass reinforced composite toe cap offers more space for the toes, is lighter than a common steel cap, antimagnetic and thermally insulating.

VOLUME PLUS⁴⁸

The special shape of the last provides more space to the small toes and the ball of the foot. This extra comfort is available up to size 48.

Scuff Cap

Extra high scuff cap for wearers who kneel a lot during their work.

Zipper

The YKK zipper at the side enables an easy putting on and taking off. The closed dust flap behind the zipper stops the penetration of dirt and prevents from unpleasant pressure points.

Upper

Oiled cowhide is robust, extremely durable and offers through its special treatment even more protection against penetrating moisture. In addition, it prevents premature aging even with low care.
