

# 2kw Convector Heater

Datasheet Number:	
Product Code:	20/002/020
Product Category:	Heating & Cooling
Last Revised Date:	13/04/17

## Description:

Our 2kw Convector Heater is free standing with an option to be wall mounted. The basic controls and adjustable thermostat make this incredibly easy to use, and with the three heat setting you can always maintain the perfect temperature.

## Product Specification & Details

Material	Metal with Plastic Trim
Power	2kw
Voltage	240v
Conformity	CE approved/British Standard Plug
Size	(H) 390 x (W) 520 x (D) 110mm
Classification of anti-electric shock	I
Colours	White
Pack Quantity	1
Product Packaging	Packed in cardboard boxes
Pallet Quantity	50

## Further Information:

Our Convector heater is easily cleaned and maintainable and comes complete with carry handles; with easy to use controls (offering a three heat setting) this would be perfect in any site or office and can be used by anyone. Our Convector heater comes with a standard British plug and can be used wall mounted or free standing depending on the needs of the user.
