- ◆ Lightweight athletic EVA midsole enhances all day comfort and shock absorption - Reducing fatigue
- ◆ Quality rubber outsole with technical tread pattern to provide excellent traction, durability and wear performance
- ◆ Non-marking oil resistant Rubber outsole
- ◆ Outsole heat resistant to 300 degrees
- ◆ Antistatic
- ◆ Energy absorbing heel.

Care Advice: To enhance the life & performance of the footwear, upper should be kept clean & dry. Dry/damp cloth or shoe polish/spray to be used as per the need. Sole to be checked and clean regularly to maintain its traction. Any obvious damage in footwear may reduce full protection and must be replaced.
