

## 4213 - BLAZER

STANDARD	EN ISO 20345: 2011
CATEGORY	S5 SRA
SIZE RANGE	UK 3 – 13
COLOUR	Black
FOOTBED	Basic

### ANTI-PENETRATION

### DESCRIPTION

**4213 BLAZER:** This is a no-nonsense entry level safety wellington equipped with all of the features required to keep feet warm and dry in extreme conditions. Made from highly durable injected PVC resistant to acids, manure and fertilisers and anatomically designed for high leg protection. The sole is also of PVC and is blended and injected using the newest techniques to ensure a rough and tough boot ready for harsh conditions. The deep cleated sole offers a higher grip on wet and greasy surfaces. The heel offers impact absorption for heavy shocks and is also fully slip resistant SRC. Manufactured in accordance with **ISO 9001 Quality Management** and **ISO 14001 Environmental Management** systems.
