Product Features:

3D Hand Former

The incorporation of 3D hand former technology ensures an ergonomic and superior fit, providing enhanced comfort and performance tailored to the unique contours of your hand.

No Sewn-in Label

The glove features a label-free design, eliminating any irritation and enhancing comfort during wear.

Spandex

The inclusion of spandex enhances elasticity, providing a snug and flexible fit for increased comfort and freedom of movement during wear.

Sandy Nitrile Coating

The sandy nitrile coating is ideal for handling oily parts, offering enhanced grip and control even in slippery conditions, ensuring safety and efficiency in the workplace.
