GRIP GLOVES – F500

Description: Master the grill safely with the F500 Grill Gloves. Engineered with a special material design, these gloves protect your hands around extreme heat and open flames up to 932°F (500°C). The five-finger separated design allows for flexible, easy operation, while the dual-sided silicone texturing delivers the ultimate non-slip grip on hot tools. Complete with a comfortable elasticated cuff, a reversible ambidextrous fit, and a handy drying hook, these machine-washable gloves are the ultimate safety companion for any BBQ enthusiast
