Visor Length
18cm

Material
ABS Frame and Woven Nylon Mesh

Recyclable
Yes

FEATURES

Visor Range

Two high performance complete forestry systems are available, enabling users to select the perfect visor for their task and price point.

Dual Layer Protection

The EVOGuard®M Forestry Helmet and Forestry Browguard Systems both feature a secondary layer of eye protection in the form of the integrated EVOSpec® polycarbonate retractable eyeshield.

Supreme Comfort

Features an easy to use Revolution® wheel ratchet and a 3D-Adjustment harness, which offers 1-2-3 point depth settings for increased adaptability to ensure a perfect, secure fit.

Coverage

EVOGuard® visors provide comprehensive facial coverage without limiting movement or vision.

Impact Protection

The EVOGuard®M1 Forestry Visor features an S - Impact rating, offering increased impact resistance when fitted to a EVOGuard®M Forestry browguard or helmet unit.

Balanced & Secure

Fitted to a browguard or helmet, the self-lubricating nylon hinges hold the visor securely in position even during extreme movement, whilst offering balanced, even weight distribution.

Product Compatibility

Designed to maximise compatibility with a broad range of JSP products, such as the Force®8 respirator with PressToCheck™, Springfit™ disposable masks and the Sonis® helmet mounted ear defender range.

Coverage

EVOGuard® visors provide comprehensive facial coverage without limiting movement or vision.

High Quality Materials

The EVOGuard®M1 Forestry Visor is comprised of an ABS over-moulded frame with a woven nylon mesh visor material.

Visible Light Transmittance

The EVOGuard®M1 Forestry Visor offers 65% visible light transmittance.
