

BEESWIFT®
FOCUSED ON SAFETY

Product Code

CM0921

Available in Sizes

2L

Available in Colours

Brown
CM0921

DATASHEET

WOODSAFE SHARPS BIN 2 LITRE

WOODSAFE - the only, truly environmentally friendly, non-plastic sharps bin in the World

WoodSafe® is a new range of biocomposite hazardous waste containers, manufactured in Sweden from a by-product of the forestry industry.

- 80% renewable wood-composite material - optimised to replace fossil polymers
- 66% reduction of CO2 emissions - instant impact - low CO2 footprint
- Superior CO2 savings of 61.8% against recycled plastic or Eco products
- Wood fibres are sustainable with high tensile strength
- Cost effective solution approved to UN3291, ISO 23907-1, ADR and REACH (EC/1907/2006)
- Exact calculation for CO2 reduction - independently verified - no greenwashing
- Easy to implement
- Simply replaces current sharps bins - no high-end upfront investment
- Autoclavable and solvent safe
- Same workflow and handling as current systems - but with real CO2 emission reduction

Standards and Certifications

- UN 3291
- ISO 23907-1:2019
- ISO 14001:2015
- ADR and ADR-S approved to IPCC standard - GWP 2021 100 to REACH EC/1907/2006 (Registration, Evaluation, Authorization and Restriction of Chemicals)
- Smaller (0.5L - 6L) and larger (12L - 50L) sizes integrated with reusable solutions
- Life Cycle Analysis (LCA) independently verified to IPCC standard - GWP 2021 100 and to ISO:14040-44 (Series 3 LCA)
