

Product datasheet uvex earmuff bag

Product features:

- With 2 belt loops and Velcro closure
- When staying in noise-free areas, the capsule earmuff can be neatly stowed in the bag
- Conveniently attached to the belt, so the earmuff is immediately at hand in case of noise
- If necessary, the hearing protection is always quickly at hand
- When not in use, the bag can be folded flat and is fixed by a Velcro closure so the bag lies flat on the belt
- Also for safe storage of the earmuff when not in use
