H10022 BUNGEE TETHER TWO DUAL-ACTION CARABINERS

The GRIPPS® Bungee Tether Two Dual-Action features two oversized dual-action carabiners, elasticised webbing manufactured from robust polyester, and a high-visibility wide tail loop with an additional grip-weave for secure fastening to tools or anchor points.

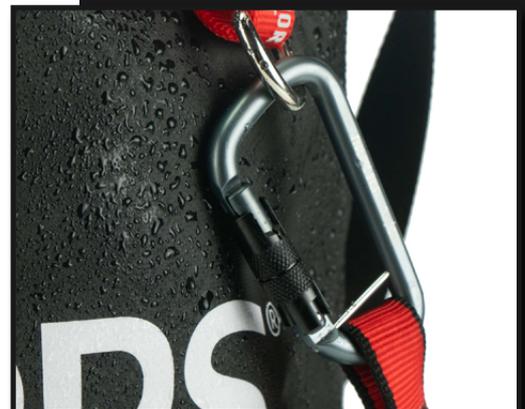

In addition to its lightweight design, the elastic properties of the bungee material efficiently absorb the downward force generated by a dropped tool.
