H02036
Monitor/RadMan Holster
Max Load: 0.5kg / 1.0lbs
ANSI/ISEA 121-2018 COMPLIANT

GRIPPS® Monitor/RadMan Holster

SAFETY INFORMATION

⚠️ WARNING Before using the GRIPPS® Monitor/RadMan Holster, read all provided safety information pertaining to the use of your Dropped Tool Prevention (DTP) device. **FAILURE TO DO SO COULD RESULT IN INJURY OR DEATH.**

The user of a DTP device bears the responsibility of reading all safety information contained herein. Keep this manual for future reference.

Intended Use:

When used properly, the GRIPPS® Monitor/RadMan Holster can prevent workplace hazards resulting from dropped tools. These may include personal injury and material damage.

GRIPPS® does not approve use of this device for any activities not described in the User Instructions. This device is not intended to be used in any recreational activity, as a personal fall-arrest device or in any other manner not described herein.

⚠️ WARNING Misuse of this device could result in serious injury or death.

Adhere to all manufacturer recommendations regarding the operation and maintenance of this device. For additional information, contact GRIPPS® customer support.

Read and adhere to the following in order to ensure correct operational functionality:

- Your DTP should never be used as a personal fall-arrest device or restraint system.
- Do not use this device with tools that exceed the specified maximum load/weight.
- A DTP device used in applications that exceed the limits of operation specified by the manufacturer should be considered unsafe and should be replaced.
- Do not tether a tool over 2.5kg/5.5lbs directly to your clothing or person.
- Inspect your DTP device before each use.
- Ensure the DTP device is securely connected to a load rated tool connector or anchor point before use.
- Inspect any tool connector point before it is connected to the DTP device.
- Modification of the DTP device voids all warranties and violates manufacturer recommendations.
- Do not use a tool that cannot be connected to your DTP in the manner specified by GRIPPS®.
- It is unsafe to extend the length of the DTP product by any means.
- Do not use this product if it will create an unsafe working environment.
- Use extra precaution around moving machinery, moving parts, electrical hazards, extreme temperatures, chemical hazards, or combustion hazards.
- Avoid contact between any connected tethers and rough or sharp edges.
- All connected tools and equipment, including connection points, must be compatible for use with this DTP device.
- Always wear appropriate personal protective equipment.

- If a tether has arrested a dropped tool or object, it should be taken out of service and replaced.
- All procedures shown in this instruction are for GRIPPS® Phone/Tablet Gripper products only.

GENERAL USE AND CARE

Compatible with a wide range of monitors, including RadMan's, the Monitor/RadMan Holster allows safe transportation and operation of monitors when working at height. Easily mounted to either work belts or harnesses, the Monitor/RadMan Holster uses a two-way Velcro mounting sleeve to secure itself to the user.

Recommended Use of GRIPPS® Monitor/RadMan Holster:
1. 1. Do not use with devices that exceed maximum load of 0.5kg / 1.0lbs.

Before Use:

Thoroughly inspect your GRIPPS® DTP device before each use. Do not use any component that presents deformities or deterioration. Inspect all material including the carabiner and tether.

HOW TO USE / INSTRUCTIONS:

Ensure Radman or electronic device has a GRIPPS® E-Catch applied. Open top cover and slide Radman/device all the way to the bottom of holster. Close top cover after.

Connect a GRIPPS® Poly Clip to the D-Ring at top of holster by pressing clip end into D-Ring.

Attach holster to personal working at heights harness strap.

After Use Care:

Clean and inspect the holster and any connected tethers. For tougher stains, use warm water and a mild soap or detergent. Do not use again until dry.

Store in a clean and dry environment. Proper care will help to ensure that it will operate effectively and extend its service.
