

Cresco 8SW

Code: CR008SW

For Summer

Our entry level pedestrian spreader provides a wide, uniform and adjustable spread pattern, designed specifically for fertilizer and seed application.

PRODUCT DESCRIPTION:

The CR008SW is designed with professional aspects such as the ability to alter the spread pattern on the left and right side. We have mixed this ability to spread precisely with some entry level specs such as a wire linkage to offer the highest quality, most affordable spreader available in its market sector.

UNIQUE SELLING POINTS:

3 Year Limited Warranty

Thick coating on cable linkage to prevent degradation

Retractable back stand and folding handlebar for easy storage

All benefits of the summer slider
