Product information

Versatile and comfortable protection against all weather conditions. The detachable fur lining and collar in combination with the zip-out sleeves, prove this is a superbly adaptable garment. Numerous zipped outer and interior pockets afford excellent personal security.

Standards

EN 343:2019 Class 3:1 X (WP 15,000mm)
EN 342 (0.344 (M².K/W), 2, X)
EN ISO 20471 Class 2

X-Range

The X-Range is an innovative and exciting concept in Safety High Visibility Workwear. The signatory X reflective tape configuration on the back of each garment provides the maximum visibility for the wearer during both daylight conditions and under illumination of headlights in the dark. Safety features such as the detachable hood and the absence of flaps or loose drawcords ensure that the garment will not get caught in machinery. This guarantees a safer work environment. These garments are the ideal safety solution for those working on farms, in gardens, parks and other demanding outdoor agricultural environments.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.

Features
