

EC Type-Examination Certificate

Number 2789 Issue 6 Extension 5

This is to certify that the product group comprising the following products

Product Reference	Description
FAR0208	Work positioning lanyard consisting of a 2.0m length of 33mm wide polyester webbing. One end of the rope terminates in a loop and karabiner for connecting to the anchorage point. The other attachment point for connection to waist belt or harness, consists of a mild steel rope length adjuster RG03 also fitted with a karabiner

Technical reports

SATRA: 66000/0549/SPC-0, 0148302/0707, 0151881/0720,
SPC0203904/1219 Issue 2, SPC0207149/1235/5

has been subject to an EC Type-examination in accordance with Article 10 of the PPE Directive (89/686/EEC) and has been shown to satisfy the relevant provisions of this Directive for the Complex category through:

- i Testing to the following standard: EN 358:1999,
- ii Examination of the relevant technical documentation.

You are therefore licensed to mark the product(s) listed above in accordance with Article 13 of Directive (89/686/EEC) and any relevant amending Directives once you have drawn up an EC declaration of product conformity. Please note that:

1. Full details of the certification and product are contained in the manufacturer's technical file
2. This certificate is only valid if embossed with the text – "SATRA – European Notified Body 0321"
3. This certificate is issued subject to the conditions on the reverse side of this certificate
4. CE marking of production is also reliant on current compliance with Directive 89/686/EEC Article 11
