COMPLIANT

## H01117 LEATHER WORK BELT

*ANSI/ISEA 121-2018 certified and with a heavy-duty design, the GRIPPS® Leather Work Belt seamlessly adapts to various applications—whether over your jacket, supporting a back brace, or worn directly on the body.*

Compatible with the entire **GRIPPS® holster range**, this belt is both comfortable and highly durable. The GRIPPS® Leather Work Belts are a game-changer for scaffolders and construction professionals working at heights.

Available in three sizes.

**10**KG **22**LB  
MAX LOAD

ENGINEERED FOR DROP PREVENTION

[gripps.com](https://gripps.com)

## KEY FEATURES

Genuine Cowhide leather.

Compatible with GRIPPS® holster range.

Steel double-prong buckle for extra strength.

Highly durable for rugged work usage.

## HOW TO USE

Select the belt size to suit your body (see GRIPPS® size guide), apply tool holsters as required, wrap around waist and close buckle.

**The load rating of this belt relates to the sum total weight of tools to the belt.**

Do not tether any single tool weighing over 2.5 kg | 5.5 lb to the body.
