

NEW SL1600

Professional Rechargeable Searchlights

The SL1600 has now upgraded with the latest LED to the SL1600 increasing the beam distance to 1,000 metres. This LED searchlight also features an amber flashlight for emergency or signalling purposes. The robust casing is drop, shock and water resistant and includes an integrated adjustable stand and swivel handle (adjustable through 90°) allowing a pistol grip for searchlight applications or a carry handle.

Adjustable Stand
