## Packaging and Maintenance

### Packaging

1 kit per box, size 29 x 23 x 17.5cm, box weight 0.8kg

### Storage

Can be stored and transported in their original cartons at ambient temperature (0°C to + 30°C)

May be stored in the dark for up to 5 years

Do not store in direct/high heat or sunlight as this may distort the shell

### Lifetime:

The Centurion Forestry Kit has an in-use life of up to 5 years

Excessive wear and tear can considerably reduce the lifespan of the product

### Cleaning:

Clean using warm soapy water and soft cloth

### Disposal:

Recycling is preferred when possible. Look out for the recycling symbol for material category
