

PRODUCT INFORMATION SHEET GLOVE MODEL : D118 - GB

Description : An innovation in safety gloves that provides cut resistance without losing that most important FEEL. Despite being an ultra-thin 18 gauge yarn glove, it has achieved a cut resistance level D. The Nitrile Micro Foam coating on the palm and fingertips provide that extra grip and durability. Altogether the result is the most dexterous, soft and flexible glove that is a cut resistance level D, bringing a revolution in comfort and efficiency whilst keeping the operator safe.

EN 388 CAT II

Abrasion	4
Cut	X
