#### Product information

Double elasticated tool lanyard for multiple tools. This item prevents tools from becoming dangerous falling objects and a safety hazard when working at height. Safe Working Load 3kg.

#### Tool Lanyards

The Portwest collection of Tool lanyards are an essential form of fall protection for anyone working at height. These items prevent tools from becoming dangerous falling objects and a safety hazard when working at height.

#### Fall Protection

Fall Protection is put in place to prevent the risks associated with falling from heights, reducing impact force, restricting obstacle/ground collision and restricting users from fall hazard areas. Portwest offer a full range of fall protection products for working at height.

#### Features

- Safe working load 3kg
- Elasticated webbing reduces the risk of tripping or snagging
- Prevents dropped and falling objects
