FGVLSA – Vanquish LED with shatter resistant lamps

The **VANQUISH** LED is a slim line, discreet yet very efficient glue board fly killer with a removable front door for easy installation or cleaning.

It is fitted with 2 x 4 watt high attraction LED

By combining the above features with a super size glue board of over 1,240 cm² (complete with monitoring squares), the VANQUISH is a truly effective fly control unit, protecting up to 200 square metres.

Its anodised aluminium and steel construction means that it not only looks good but also offers excellent corrosion resistance.

Now with IEC socket for easier installation.

Actual size W 41 x H 48 x D 7.5 cm
