

GP1005LD • Fine Nylon • Double Dip Latex

General Purpose

Best.

The ultimate glove for working in damp environments, with all day comfort, flexibility and breathability in a double dip latex coating.

- Ultra-lightweight and ergonomic design
- Extremely soft, comfortable and flexible
- Maximises dexterity and sense of touch
- Drivers style with piping
- Fully coated natural foam latex to the edge of the cuff
- Micro-crinkle second coating provides extra wet grip and superior dry grip
- Highly water repellent
- Breathable foam latex for all-day comfort
- Sanitised to protect against bacteria and reducing odour
