1

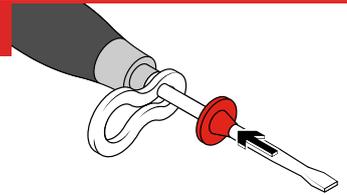

Apply little gripper to tool using appropriate size.

2

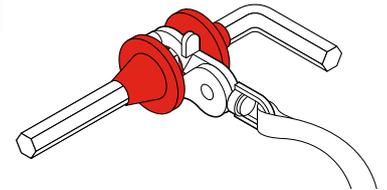

Apply the GRIPPLink to the tool shaft. Where possible, insert tool through the smallest end of GrippLink.

3

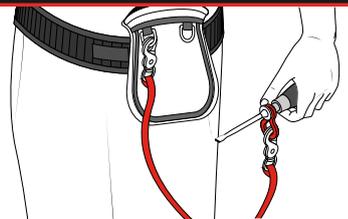

Apply the Little Gripper to your tool, ensuring a snug fit.

4

Two Little Grippers may be used without a GrippLink when using GRIPPS H01067 tether.

5

Connect a tether up to 25cm in length to the GrippLink.
