ABOUT THIS PRODUCT

A step above our standard bomber, this fleece-lined hi-vis Bomber Jacket combines comfort, safety, and durability. Designed to keep you warm during the coldest months, its soft fleece lining provides superior insulation, while the high-visibility fabric ensures you remain easily seen in low-light conditions. With a weather-resistant outer shell, reinforced stitching, and multiple pockets for added functionality, this jacket is perfect for outdoor workers, commuters, or anyone needing reliable protection and comfort in harsh environments.
