Designed to easily tear apart at multiple high risks areas

DESCRIPTION

- Easily tears at multiple risk areas. Unique and patented knitted design allows the glove to easily tear at multiple high risk areas, significantly reducing the risk of hand injury if the glove becomes entangled in a rotating tool.
- Ultra thin design. Provides excellent tactility to grab even the smallest parts.
- ZONZ™ technology for enhanced comfort. ZONZ™ technology offers extreme breathability to keep hands cool
- and comfortable.
- Product protection. White color allows for quick identification of dirt to avoid product contamination.
- Silicone free. No transfer of silicone contaminants to metal parts prior to painting.
