Elite SC1800 Spot Cooler Sales Specification Sheet

Description:

The Elite SC1800 is a unique and versatile portable cooling and drying unit that is not only a Spot Cooler but also a Cooling Fan, Air Conditioner and Dehumidifier all in one!

With a cooling capacity of 18,000 Btu (5.3kW) per hour and air flow rate of 800m3 per hour, the Elite SC1800 provides instant cooling exactly where and when it is needed. The Elite Spot Cooler is ready for immediate use out of the box without any installation preparation required.

The 2 stage Cooling Fan is a great way to keep air circulating in the desired area or to aid in the drying of freshly painted or plastered rooms or following on from flood damage.

As a Dehumidifier the Elite SC1800 can extract an impressive 65ltrs per 24 hour hours, can be drained via the water drain plug or collected in the 25ltr capacity tank supplied.

Hot air ducting is available as an optional extra.
