Our HV extreme premium colour coded ear defenders offer helmet-mounted hearing protection that ensures superior noise attenuation, now available with plastic arms for safe use if non-conductive PPE is required. The ear defenders are specially designed to be used with Portwest Endurance and Height Endurance helmets, and can be easily attached to the helmets for a secure and comfortable fit. With medium attenuation performance, our ear defenders are perfect for environments where noise levels can be harmful. The colour-coded cups make it easy to identify the correct attenuation level, ensuring maximum protection.
