

ARESTA Multi Plus 5 Harness with Work Positioning Belt

Technical Data Sheet

Code: **AR-01150**

The ARESTA Multi Plus 5 Comfort Plus Harness with Positioning Belt and EEZE-KLICK Buckles is a versatile, fully adjustable harness designed for fall arrest and work positioning. Combining premium comfort with durable construction, it is ideal for construction, roofing, vertical climbing, and general work-at-height applications. Breathable padding and ergonomic design ensure all-day support and mobility.

Features:

- Front and rear fall-arrest attachment points
- Offset (cranked) side D-rings for work positioning
- Quick-connect EEZE-KLICK buckles on chest, waist, and legs
- Breathable, padded shoulder, waist, and leg straps. With extra-wide, moisture-wicking 3D mesh for long-duration comfort
- Chest tool loops for convenient access
- Supplied with forged steel hardware
