FLSE750

FIRECHIEF® 750ML LITHSHIELD® FIRE EXTINGUISHING SPRAY

LithShield® 750 is a compact fire extinguishing spray for the fires most likely to start at home or in the office: small lithium-ion battery fires, cooking fires, and everyday wood, paper or textile fires. No servicing, no training, no fuss.

Suitable for small fires only

- ✓ Small lithium-ion battery fires (up to 12V, 100Wh)
- ✓ Cooking fires from oils and fats
- ✓ Wood, paper and textile fires
- ✗ **NOT suitable for gas or liquid fuel fires**
- ✗ **Do NOT use on live electrical equipment**

Always keep at least 1 metre distance from the fire when in use.
