

CMH 2

Chemical splash hood with neck cape

Chemmaster provides excellent resistance to various acids,alkalis,and industrial chemicals due to its tough and durable 380gm2 double coated PVC material. This makes it an ideal choice for a wide range of chemical handling operations.

Features

- ▲ Neck cape shields wearer against hazardous splashes
- ▲ Detachable visor guards the face without compromising visibility
- ▲ High resistance to many chemicals
- ▲ Comfortable internal cotton brow band
- ▲ Stitched and High Frequency welded seams for superior liquid resistance
- ▲ Certified to EN 14605 Type PB [4]
- ▲ This reusable, UK-made hood is an essential addition to any chemical safety program.
