

Product Specifications

Evolution Travel and Motoring First Aid Kit

- British Standard (BS 8599-1:2019) Compliant Travel First Aid Kit
- Comes in a case
- Ideal for off-site employees
- Excellent Portability
- Suitable for one employee

To comply with the British Standards requirements for workplace, all the off-site employees have to have on them a first aid kit. This British Standard (BS 8599-1:2019) compliant Travel First Aid Kit is an ideal first kit for off-site staff because of its excellent portability. The first aid kit comes fully stocked with the minimum recommended first aid supplies for one employee. The first aid guidance leaflet is included in the first aid kit, enabling ordinary people to give first aid without special previous training.
