**Product Features:**

**3D Hand Former**

The incorporation of 3D hand former technology ensures an ergonomic and superior fit, providing enhanced comfort and performance tailored to the unique contours of your hand.

**Cut Indicator**

The glove features a cut indicator, aiding in the proper selection of gloves based on their level of cut protection, ensuring safety and suitability for the task at hand.

**HPPE and Steel fibre**

The combination of HPPE (high-performance polyethylene) and steel fibre achieves cut level C protection, offering the highest degree of defence against sharp objects and ensuring maximum safety in high-risk environments.

**PU Coating**

The PU coating provides grip, making it ideal for handling dry and slightly oily parts with precision and confidence.

**Paper Wrap**

The gloves are packaged in a paper wrap, reflecting a commitment to sustainability by minimising plastic usage and opting for eco-friendly materials.

**Outercase Dimensions:**  
500 mm X 280 mm X 380 mm
