TECHNICAL SPECIFICATION

Hardcap™ A1+ Disposable Sweatband

Pack of 10 / ABU300-000-000

DESCRIPTION

Easy fitting sweatbands for any of the HardCap A1+™ range. Keep the inside the terry towelling on your HardCap A1+™ clean by fitting one of these easy fitting sweatbands. Attached using a Hook & Loop strip these sweatbands fit around the inside forehead area of the bump caps. When these get dirty you can easily tear them off and replace them with a clean sweatband.

Features & benefits

- Keep the terry towelling clean
- Increased hygiene
- Reduce discomfort from sweating

OPTIONS

Pack of 10 (ABU300-000-000)

SAFETY STANDARDS

EN 812

FEATURES

All Round Protection

The protective liner protects against impacts from the sides as well as from above. It is also removable so the outer cap is fully washable for hygiene and extended life cycle.

Ventilation

Extra holes in the liner and two mesh panels on the outer give added ventilation for coolness and comfort.

Fit & Comfort

Unique one-handed angled adjuster to quickly fit tightly and comfortably to most head sizes and shapes. Fits head sizes from 53 to 64cm.

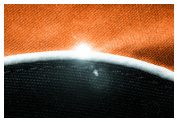

Hi-Visibility

Available in hi-visibility orange and yellow. Great for low light environments.

JSP Logo Express®

Strengthen your corporate identity by applying a company logo on a range of our safety helmets. Minimum order quantities and set-up charges apply.

Reflective Piping

All colour-ways have subtle reflective piping for added visibility safety.

Peak Options

Available in three peak sizes, micro (2.5cm), short (5cm) and long (7cm).

RANGE

HardCap A1+™
