

BB-EB105 ELECTRIC THROW BLANKET—120 X 160CM

SPECIFICATION

This energy efficient, lightweight super soft coral fleece material throw blanket comes with a detachable connector; 9 hour programmable timer function, 9 heat settings of 1-7, low & high, plus automatic overheat protection for peace of mind. Our cosy & soft blanket will enable you to have a warm & comfortable sleep, no more cold knees & feet on chilly nights as you feel it radiate warmth throughout your body. As the connector is fully detachable, the blanket is machine washable & dryer safe for your convenience.
