

## Description:

The Simpson industrial cold water pressure washer is the perfect product for your hire fleet. Made in the USA using premium components the washer delivers an impressive 3200 Psi/220 bar water pressure and a flow rate of 10.6 litres per minute. Powered by a Honda® GX200 and a CAT Pump® ensures reliability and performance for increased revenue.

Housed in an Aircraft Grade Aluminium chassis complete with integral accessory storage and pneumatic tyres ensures the product is highly manoeuvrable.
