

# Black

The AirGill Face masks are modern looking, snug fitting and low profile with an unobtrusive design. The masks give additional protection against infection of bacteria and viruses, as well as allowing the wearer to go about their daily business with confidence.

Incorporating innovative Polygiene ViralOff Technology which has active ingredients that combat bacteria and viruses - essentially a sanitiser for textiles.

The active ingredients within the technology have an affect against all enveloped viruses, including COVID-19, and is proven to reduce viruses and bacteria by 99% over a 2 hour timespan - staying clean and fresh without you having to physically wash the product yourself. Odor Crunch technology is incorporated into the masks, eradicating any bad odours or smells that may develop during the day.

#### **KEY FEATURES**

Comes in a re-sealable foil packet to prevent any contamination 3D shaping across the nose for a precise and comfortable fit 4 way stretch fabric gives a tight, snug fit minimising any possible air gaps

Water repellent outer wards off any airborne water droplets Dye cut means no thick seams, providing long-lasting comfort **Odor Crunch** eliminates any odours so the mask can be worn for long

periods of time with no need for washing

**ViralOff** technology proven to reduce viruses and bacteria by 99% within a 2 hour timespan

## **Petrol Blue**

Blush

#### **SPECIFICATIONS**

CODE: SDM3

Anti-Bacterial

Anti Viral ISO1814

COLOUR OPTIONS: Black, Ash Grey, Petrol Blue, Blush

SIZE OPTIONS: Small, Medium & Large

MATERIAL: 80% Polyester, 20% spandex

VIRALOFF INGREDIENT: Biocide - reaction mass of titanium dioxide & silver chloride

STANDARDS: ISO18184:2019

#### TESTING CERTIFICATES CAN ALSO BE PROVIDED FOR: Acute Oral Toxicity Water Repellency

Water Repellency Heavy Metals Contents BPR Product Type (PT2)

#### CARE INSTRUCTIONS

To maintain maximum performance, only wash when necessary Hand wash only with cold water Do not bleach, machine dry or iron

## \*THIS PRODUCT IS NOT DESIGNED TO REPLACE EXISTING PPE AND SHOULD ONLY BE USED FOR SOCIAL DISTANCING PURPOSES\*
