6 master polybags per case

Classification:

Features

- Featuring Sanitized Hygiene and Odour Control Function
- Nylon and Spandex® liner with acrylic terry-brushed inner
- Cut resistant level B
- Ultrathin full dip foam nitrile coating
- Cold and heat protection
- Hi viz yellow
- Excellent dry and super wet grip

Benefits

- The Sanitized Hygiene and Odour Control Function is integrated within the glove, neutralising odours and reducing microbial growth. This article contains a biocidal product with the active substance sodium pyrithione
- Comfortable and excellent fit helping to reduce fatigue and maintain quality control even for long periods of use
- EN ISO cut level B (≥5N & <10N) designed to protect against low level cut hazards
- Full foam nitrile coating gives maximum abrasion resistance and allows superior flexibility and dexterity whilst channelling moisture away from the palm of the glove ensuring grip is maintained
- Offers thermal protection from the cold, 360° wet protection and contact heat resistant up to 100°C
- Enhanced high visibility for safety
- Provides and maintains excellent dry and wet grip for handling of objects

Sectors

- Cold Storage
- Outdoor Construction
- Warehouse
- General Maintenance
- Rail
