WARNING: This product contains natural rubber latex which could cause anaphylactic responses.

## Limitations of Use:

*Maintenance* - Examine gloves for damages, splits and holes before each use. Always replace damaged gloves. Only properly fitting gloves guarantee protection and grip.

**Storage** - Store at normal room temperature in a dry, well ventilated area. Avoid direct heat radiation. **Disposal** - Used gloves can be contaminated. Dispose with household waste or as instructed by your local authority.

**Cleaning** - Do not wash. The performance of the product after laundering is unknown. Beat or brush out after each use, depending on level of dirt.

**Durability** - The period of use depends on the degree or intensity of use in the retrospective application. It is therefore not possible to provide a 'life span' of the gloves.

*Note* - Due to the nature of this product the user is advised to carry out their own risk assessment before use, depending on application.
