

## BB-HL103 PORTABLE WORK LAMP

### SPECIFICATION

This weatherproof lamp is manufactured from aluminium with a baked enamel finish & is suitable for internal & external use. It is suitable for use with a LED R7s bulb (not supplied), which is protected by tempered heat resistant glass & a chrome plated wire guard. It also has a 54"/1.37m cable (approx) with BS approved plug & easy to attach carry handle making it fully portable.
