Declaration of Conformity statement

Certified that the whole of the supplies detailed above, unless otherwise advised, conform in all respects with the requirements of the contract, or the order. The quality control arrangements adopted in respect of these supplies have accorded with the conditions of our ISO Quality Accreditation and relevant EN Standards where indicated. If the above product relates to lifting equipment, the following applies: Where indicated on the product label flat woven slings are manufactured to EN1492-1 and round slings are manufactured to EN1492-2 (SF 7:1). Materials 100% polyester.

Where this is the case, such slings also comply, as applicable, to the relevant sections within the Machinery Directive 2006/42/EC and Supply of Machinery (Safety) Regulations 2008

Annex II 1A. Slings conform to essential health and safety requirements.
