30°C - The thermal liner should not be cleaned with chemical or abrasive cleaners

FEATURES

Detachable Face Covering

The removable face covering offers maximised coverage, providing increased warmth to the wearer.

Fully Compatible

The Surefit™ Thermal Safety Helmet Liner is compatible with all JSP safety helmets. The stretchy material is suitable for all head sizes and provides a nice tight fit for minimal interference and maximum comfort and warmth.

Thermal Insulation

The Surefit™ Thermal Safety Helmet Liner provides the wearer with warmth and protection from cold environments. The deep edges are designed to cover the entire ear.

Convenient and Hygienic

The Surefit™ Thermal Safety Helmet Liner is lightweight for all day comfort and is also machine washable at 30°C for hygiene purposes.
