One Stop Sourcing & Supply Co. Product Data Sheet

Stacking Chair

Datasheet Number:	
Product Code:	30/003/010
Product Category:	Canteen Equipment
Last Revised Date:	26/07/2016

Description:

Our Stacking Chairs are ideal for canteens, halls and recreational rooms. Our Stacking Chair has a chrome plated steel frame with floor glide feet which offer protection to the end of the chair legs. With the ability to stack these chairs they take up less room making for easier storage.

Product Specification & Details

Material	Polypropylene
Size	Please See Above
Frame	Chrome Plated Steel Frame
Pack Qty	Sold As Singles
Colours	Black
Stack Qty	10
Product Packaging	Wrapped In Protection
Pallet Quantity	52

Further Information:

Stacking Chairs are a great addition alongside our canteen tables which can be used in a number of different areas such as onsite canteens, halls and recreation rooms. With the option to stack chairs storage is made easy and also saves on space consumption.

Please be aware that the information is given in trust and is based on the latest knowledge known by One Stop Sourcing & Supply Co. Whilst all aspects have been covered to ensure the contents of this datasheet are up to date at the time of handover, please be advised that products, techniques and codes of Practice are under constant review and are likely to change at any moment, up to date information would be available on request. One Stop Sourcing & Supply Co. will not accept responsibility for the application of products, and therefore no claims will be considered, where the manufacturer's instructions have not been followed.
