

RECYCLED 4 DRUM SPILL PALLET

PRODUCT

A robust 100% recycled polyethylene spill pallet (including grid) fully compliant with regulations.

This recycled model (only available in Black) is suitable for the storage of 4 x 205ltr drums and features a removable plastic grid for easy cleaning and forklift pockets to aid transportation.

Please note, due to the composition of the recycled materials, we are unable to 100% guarantee the colour consistency of this product - this does not affect the structural integrity of the product.
