

P-WAVE®

The highly fragranced, simple solution to bad odours

P-Wave OurFresh-e

The professional 30-day plug-in air freshener for larger spaces

30-Day air-freshening for larger spaces

Dry fragrance refills contain 3-5 times more fragrance than supermarket purchased plug-ins and freshens more space.

Easy to use

The rotating plug works in any 3-prong outlet. The intensity button allows you to select the right setting, and there are no screws or tape needed to install.

Improves air quality

The high-speed fan draws air through the charcoal filter, helping to clean the air for a better experience.

Environmentally-friendly

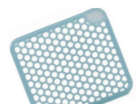

Refills are 100% recyclable, and there are no batteries required.

High-quality fragrance solutions

We offer a range of fragrances to complement every type of space.

Versatile & expandable

One unit will cover up to 50 square metres. Add additional units to freshen larger areas.

At a glance:

- Plug in - rotating plug works in any 3-prong outlet (angle horizontally or vertically as pictured).
- 100% recyclable dry fragrance refill.
- 3-5 x more fragrant than supermarket plug-ins (coverage up to 50 sq metres).
- Improves air quality - high speed fan draws air through charcoal filter to remove dust particles.
- 3 premium fragrances (Cotton Blossom, Spa Minerals & Summer Sunshine)
- No aerosols, propellants or solvents, just fragrance
- Adjustable High or Low setting
- Ideal for use in offices, bars or reception / waiting rooms
